UNECE (TIM) - United Nations Economic Commission for Europe (Timber)

Activity 11.1: Collection, processing and dissemination of forest sector statistics

Description and objectives

Activities and output

Organizations and groups involved

Activity 11.2: Analytical and methodological work on forest sector statistics

Description and objectives

Activities and output

Organizations and groups involved

Activity 11.3: Technical cooperation on forest sector statistics

Description and objectives

Activities and output

Organizations and groups involved

4.3.2 Business and agricultural censuses and registers (OECD)

Business Registers

Purpose

• To contribute to reinforce statistical systems and improve globalisation analysis through the upstream design of better integrated business registers and links to administrative sources.

Objectives and outputs

• Provide a forum for discussion to further improve and harmonise the design and concrete implementation of statistical business registers.

Non-member countries involved in the activity:

• Brazil, China, Colombia, Costa Rica, Egypt, Georgia, India, Indonesia, Kyrgyzstan, Malaysia, Mongolia, Morocco, Republic of Montenegro, Russian Federation, South Africa, Ukraine

Main Developments for 2013

General aspects:

• The joint Eurostat/OECD/UNECE Seminar on Business Registers will be held in September 2013 in Geneva.

• A first draft of the International Guidelines on Business Registers will be completed by the end of July 2013 and will be reviewed in September 2013 by the Task Force created in 2011 by the Conference of European Statisticians.
