# 2010 Population Census Round

The table below presents information and material (such as census dates, questionnaires, technical papers and reports) on the population and housing censuses of the 2010 round in the member countries of the UNECE, which includes all countries in Europe, North America and Central Asia.

This table is maintained by UNECE, in cooperation with authorized registered users from member countries. Users who would like to submit additional/updated material or information, or suggest corrections, may send us an e-mail.

LAST UPDATES:
30 April 2015: Added new document (Serbia)
1 April 2015: Updated links and added new material (Malta, Montenegro, Portugal, Rep. of Moldova, Russia, Slovakia, Sweden, Turkey, Turkmenistan)
31 March 2015: Updated links and added new material (Albania, Azerbaijan, Belgium, Croatia, Estonia, Germany, Lithuania, Luxembourg)

**SORTING THE TABLE:** The table can be sorted by clicking on the header of each column. For instance, countries/censuses can be sorted by census reference date, or by type of census, clicking on the header of the respective columns.

| Country | Census ref. date (YYYY-MM-DD) | Type of census | Internet census | Census forms | Technical papers and reports | Link to census websites and results |
|---|---|---|---|---|---|---|
