

# TBG - Trade and Business Group : eArchiving project

This page last changed on Nov 30, 2012 by cmeza.

## Scope

Define a transfer process and a Submission Information Package that may be used by all records systems in all organizations when transferring records between records systems. The systems may be located in the same organization or in different organizations. The specification is primarily intended for use when transferring records from a producer to an archive, but may be used for other types of transfer.
