

The 2010 Round of population censuses: CES Recommendations on international migration data/ 2010 : (CES)

1) Basic Information

Training material title
The 2010 Round of population censuses: CES Recommendations on international migration data/ 2010 : (CES)

Brief description and comments

Slides from a presentation given UNECE at a regional workshop on "strengthening national capacities to improve migration data", Bishkek – 15-17 February 2010. Other papers from the workshop (in both English and Russian) can be found on the meeting website at <http://www.unece.org/stats/documents/2010.02.migration.html>.

The main topics covered in the presentation are:

- The census count: Who is in and who is out
- Census questions to identify relevant migrant groups
- Information on timing and geography of migration
- Other census topics on migration
- Ethnicity

Main category

Demographic and Social Statistics
