

# 3. Statistical Metadata in each phase of the Statistical Business Process (State Statistical Committee of the Republic of Azerbaijan)

## 3.1 Metadata Classification

## 3.2 Metadata used/created at each phase

## 3.3 Metadata relevant to other business processes

"E-documentation Procedure" has been applied in the Committee, <http://www.stat.gov.az/menu/8/e-documents/>. Statistical data hard copies which users get before now could be obtained online once after their preparation. Manual for the users of "E-documentation Procedure" system is placed at the web-page, <http://www.stat.gov.az/menu/8/e-documents/kitab.pdf>.
