

5.6 Co-ordination of international statistical work (CIS-STAT)

Rest of the World-CIS Coordination

Ongoing work:

- Coordinating statistical work and aligning and harmonizing statistical tools with international standards in the areas of the System of National Accounts, economic, demographic and social statistics, and improving methods of processing information from Commonwealth member States.
- Materials in preparation are discussed by the CIS-STAT Scientific Council, task forces and ad hoc meetings. The most important are discussed by the Council of Heads of Statistical Services of the CIS. Once finalized, they are circulated as recommendations to national statistical services.
