

UNECE Task forces on censuses

This page is used to disseminate and share material related to the UNECE programme on population and housing censuses. It is primarily intended for use by national and international experts involved in this programme, including in particular the members of the UNECE task forces established to review the 2010 round of censuses in the UNECE region and prepare the new CES Recommendations for the 2020 round of censuses.

Material available:
