Seminars

2015 seminar on Statistical Data Collection

Plans are now beginning for a third seminar, to take place in April/May 2015. Exact dates and location will be confirmed soon. Please mark your calendars tentatively for the final week of April!

2012 and 2013 seminars on Statistical Data Collection

For papers and presentations given at the 2012 and 2013 seminars, as well as their final reports, please see the respective meeting web pages:
